

TANT LABS

Summer

NEWS! NEWS!

June 2009

As I write this the sun is shining and the sky is blue(ish) so hopefully some good weather is on the way?! LONG MAY IT LAST!!

We all hope this summer brings your customers in and some great dispensing opportunities for you all.

By now you will have received your TANT Price List CD and you can see clearly from that the huge selection of products we can deliver to suit all your customers needs and budgets.

OUR NEW ELECTRONIC ON-LINE ORDERING AND REMOTE EDGING SYSTEM

WILL BE UP AND RUNNING AT TANT VERY SOON. IF YOU WOULD LIKE HELP AND INFORMATION ON COMPATIBLE SOFTWARE WITH THIS GREAT NEW SYSTEM PLEASE CONTACT GEZ - gezdonovan@tantlabs.com - THANK YOU

We'd like you all to meet DEAN

Dean Thompson is our new General Manager. Dean brings 16 years optical manufacturing experience of his own after working for Carl Zeiss Vision, Sola, American Optical and most recently Specsavers manufacturing laboratory.

Investment in staff and the very latest equipment has always been top of TANT Labs' list of priorities so Dean's appointment along with the £200,000 investment in glazing equipment, building works and inventory systems last year alone will allow us to uphold the highest levels of customer service and satisfaction. Dean is delighted to join TANT and is already making great steps with the long established team to provide even better levels of efficiency, quality and service to customers. If you need to contact Dean please feel free to call him anytime as he's very keen to build a good relationship of his own with you all. Dean says "TANT is a great business where my knowledge and experience in changing management processes can be adopted and implemented quickly to grow and develop the business further."

Is the Credit Crunch **STRESSING** you out???

We've got some **FAB STRESS BALLS** to give away to the **first 50 customers** who call and say **"I'M STRESSED GET ME OUTTA HERE!!"**

We promise not to make you eat Wichita grubs!!

Transitions^{VI} Lenses are once again flying through the lab. With their ability to attract customers all year round they really are becoming a very popular choice with everyone!

Transitions VI are the everyday lenses for primary use that unlike ordinary clear lenses automatically help protect your patients eyes against the multiple harmful effects of light for enhanced visual quality everyday and long-term health and well-being.

Don't forget... You can earn M&S GIFT VOUCHERS from ESSILOR! Every pair of HC or AR Coated ESSILOR TRANSITION Lenses ordered from TANT equals a £1 M&S voucher, represented by a sticker. Collect them on your Collectors Cards and redeem them from ESSILOR at the end of the promotion on 30th September 2009...**then it's SPEND, SPEND, SPEND!!**
